United States Senate
Washington, DC 20510

Dear Mr. Chairman:

The Congressional Budget Office has reviewed the following legislation, as ordered reported by the Senate Committee on Environment and Public Works on May 23, 2006:

- S. 801, a bill to designate the United States courthouse located at 300 North Hogan Street, Jacksonville, Florida, as the “John Milton Bryan Simpson United States Courthouse”;
- S. 2127, a bill to redesignate the Mason Neck Wildlife Refuge in the State of Virginia as the “Elizabeth Hartwell Mason Neck National Wildlife Refuge”; and
- S. 2650, a bill to designate the federal courthouse to be constructed in Greenville, South Carolina, as the “Carroll A. Campbell, Jr. Federal Courthouse.”

CBO estimates that enactment of these bills would have no significant impact on the federal budget and would not affect direct spending or revenues. These bills contain no intergovernmental or private-sector mandates as defined in the

Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.
